Dear George,

**Re: Scrapping of Air Passenger Duty (APD) on children's flights**

I write with the enclosure of the 'Fair Tax on Flying: Autumn Statement Submission 2014' which I believe you have had sight of.

Writing as a Member of Parliament with an airport in his constituency, I believe that it would be highly beneficial to announce this change in your Autumn Statement.

I have attended a briefing with MPs from the Midlands who are also of the same opinion, and can see the vast benefits of this change especially ahead of May 2015.

I have listed the names of the co-signatories below and I look forward to your response regarding the attached.

Yours sincerely,

A handwritten signature in blue ink that reads "Andrew Bridgen".
